KHERANI DENTAL at ASPEN COVID-19 UPDATE

March 17, 2020

To our valued clients,

Due to recent changes and recommendations from Alberta Health Authority and on advice of our Alberta Dental Hygiene and Alberta Dental Associations we have decided to limit services offered at our office in the coming weeks. Our infection control procedures make delivery of care safe on a person to person basis but in the interest of social distancing and to allow families to stay home as recommended by Health Canada, we feel it is prudent to do our part and modify our patient care at this challenging time.

Please note:

ALL NON-EMERGENCY TREATMENT WILL BE POSTPONED DURING THIS TIME (i.e. hygiene appointments, examinations, consultations and fillings/crowns). If you are having a dental emergency, see below.

IF YOU HAVE AN APPOINTMENT SCHEDULED AT KHERANI DENTAL BETWEEN MARCH 17 AND APRIL 4, PLEASE CONSIDER YOUR APPOINTMENT NOW CANCELLED. You do not need to contact the office to cancel. We will be in contact to rebook your appointment for the week of April 7 at the earliest.

WE WILL BE REVISITING THIS CLOSURE WEEK TO WEEK BASED ON THE GREATER COVID-19 HEALTH AUTHORITY RECOMMENDATIONS. We will continue to update you by email and social media or when changes are made.

OUR SERVICES WILL BE LIMITED TO EMERGENCY SERVICES ONLY. If you are in PAIN, have uncontrolled BLEEDING, are experiencing SWELLING, or have had an accident or TRAUMA, please call. We will be sure you are taken care of. We will be opening the office as needed and encourage you to seek care in our office versus a hospital setting when possible.

Please know we take this situation very seriously and feel this is the best course of action at this time. It is important that we all do our part to limit the rapid transmission of COVID-19. We are taking every precaution to be sure our patients are not at risk and that we protect the health and exposure of our own dental family. We apologize for any inconvenience and thank you for your continued confidence and patronage.

We will have limited reception hours, but we are checking messages hourly. If you have any questions or concerns, please call (403) 263-0055 or send an email. Please also check our website for updates.
