

KHERANI DENTAL at ASPEN RE-OPENING UPDATE

June 12, 2020

To our valued clients,

After a light opening over the last two weeks, and not so patiently waiting for our coveted PPE shipments to come in....We are finally able to fully resume services effective immediately! Some of the new things you will see at our practice go above and beyond the updated ADA guidelines. The safety of our Aspen team, and patients, is of utmost importance to us at Kherani Dental.

- ✓ High Filtration Masks
- ✓ Face Shields
- ✓ Gowns, Lab Coats & Scrubs
- ✓ Safety Glasses
- ✓ HEPA/UV filters
- ✓ Continued Industry Leading Sterilization & Disinfection Protocols

- ✓ Health Check Protocols and Waivers
- ✓ Temperature checks
- ✓ Staff Training updated for COVID protocols
- ✓ Distancing in Waiting Room & Glass Partition
- ✓ New Exit Flow Protocols

We are working hard to contact everyone whose appointments were missed over the closure and welcome all calls to rebook. If you have any questions about your safety while in our care, we welcome any questions.

With sincere gratitude, thank you so much for your patience and support over this unprecedented time. We are blessed to have our health and to be able to take care our dental family again. See you soon,

Your Team at Kherani Dental
